

Join the Community Garden!

The Garden Gang is a friendly group who enjoy each other's company and is dedicated to making the garden grow. We each do what we love and are attracted to doing. No one is asked to do what they don't want to or cannot do.

- Dues are \$10.00/ year.
- Work days are Tuesday, Thursday & Saturday mornings.**
- Meetings are the 2nd & 4th Saturday at 12:00 pm at the Community Center.
- Everyone is welcome to become a member regardless of age, race, gender, gardening experience, etc....
- We use no chemical fertilizers or pesticides and seek out the highest quality seeds and plants.

**The garden beds are cared for collectively by all members. Work sessions are 10 am – 12 pm, for most of the year, 8 am-10 am in the summer.

Greenhouse #1 –
Designed and built by Garden members.

The annual Elegant Garden Dinner, held at the end of summer. The Garden's main fundraiser.

Pattypan Squash on the vine.

What our neighbors say about the Yarnell Community Garden Project!

"This is the best place ever. I love this place. I like all the plants. It's amazing. I feel sunny when we are on the way to the Garden. It's a happy day when we come to the Garden."
Model Creek Elementary School students

"The Garden brings us together in many great ways: fresh, organic, local produce at the Farmer's Market, gardening advice, starter plants (wonderful strawberries). What more could you ask for? Oh, yes, a yearly dinner party that is a must do event. We love the Community Garden."
Gerry & Kate McCullough, Muleshoe Animal Clinic

"We always look forward to walking through town on Saturday morning to see what's fresh from the Garden at the Farmer's Market. Every week looks a little different and we love planning a meal around the healthy, local offerings there."
Rebecca Wilks, MD

"We are avid consumers of natural, organic, and locally grown foods. The Garden provides wonderful produce at the Saturday Markets. The elegant Dinner includes a cocktail hour with music and an array of Garden grown veggies. I had the privilege of performing at the 2015 event. A fantastic night."
Denise Roggio, Entertainer, Vice President Yarnell-Peebles Valley Chamber of Commerce.

Our Mission

To create a self-sustaining, welcoming garden which:

- Nourishes members of the general public in our community;
- Re-connects our members and the community with nature;
- Provides opportunities to share food, information, technology, skills and resources with the general public;
- Encourages and assists members of the general public of the area with their gardens at home.

Our non-profit organization is organized exclusively for charitable, scientific and educational purposes, more specifically developing a community based garden, providing produce to the community and education on gardening.

Located behind the Yarnell Community Center - follow Cross Way between the Library and the Community Center. Watch for the signs & follow the path to our gate.

Visitors welcome! Come on down!

Please respect our work. Watch your children and keep your dogs under control.

Yarnell Community Garden Project

a 501(c)(3) organization

Our Vision

A garden that is both beautiful and bountiful. One which provides sustenance, inspires opportunities for offshoots, and creates a feeling of belonging. Our gardening activities will grow an atmosphere that is welcoming, purposeful and fun.
